linkedin.com/in/ziyad-aymen-taleb-2845032b5 • ziyadev.vercel.app • github.com/ziyadev

Full-Stack Developer with 3+ years of experience in TypeScript, React, NestJS, and scalable web solutions.

EDUCATION

Full Stack Bootcamp in Gomycode

Gomycode • Algeria, Alger

May 2023 – January 2024

Frontend Development in Gomycode

Gomycode • Algeria, Alger

December 2022 – May 2023

CERTIFICATIONS

AWS Certified Cloud Practitioner

coursera

August 2024

AWS Networking Basics

coursera

July 2025

PROJECTS

fannaq-infrastructure

github.com/ziyadev/fannaq-infrastructure

An **AWS infrastructure** for a progressive web app, built with **Terraform** to ensure scalability, reliability, and efficient resource management.

Portfolio

github.com/ziyadev/portfolio

Built with **Next.js** and **Turborepo**, featuring MDX-powered blogs for dynamic content. Focused on performance, scalability, and a modern design.

Employee Tracker

github.com/ziyadev/pointing

A **NestJS** app for managing employee data, using **Prisma** for the database and **Docker** for scalable deployment. Designed for efficient HR operations.
